B.F.A., Interior Design

College of Visual Arts and Design Suggested Four-Year Curriculum
2024-2025 • Exp. August 2032

Entering students interested in pursuing a major in the Design Department in the College of Visual Arts and Design are classified as pre-majors.

Admission to the Interior Design major occurs through the following process:

- Have at least a 2.5 GPA on the required CVAD courses and a minimum 2.25 UNT grade point average;
- Complete at least 30 hours of college courses, including the following 21 credit hours
 - ART 1600 with a grade of C or better
 - ART 1700 with a grade of C or better
 - ART 1800 with a grade of C or better
 - ART 1900 with a grade of C or better
 - one from ART 2350/2360/2370 with a grade of C or better
 - ADES 1625 with a grade of C or better
 - ADES 2630 with a grade of C or better
- Successfully complete the Interior Design Portfolio Review
 - Details regarding the Interior Design Portfolio Review requirement and timing are updated annually and are available at the CVAD website (cvad.unt.edu/design/interior-design-entry-portfolio-review-instructions).
 - All subsequent ADES coursework is restricted to those admitted as Interior Design majors.

Transfer Credit

Students must submit official transcripts of all prior collegiate-level coursework as part of the UNT admissions process. Transfer information is reviewed with the student at Orientation. All students, regardless of academic status, must be admitted to the Interior Design Program through the Interior Design Portfolio Review.

Time to Completion

Due to the highly sequenced curriculum, and skill-building nature of coursework, ADES courses cannot be taken concurrently unless otherwise listed as such. This means that, regardless of the required total remaining credit hours, students should anticipate four years (8 fall/spring semesters) to complete the BFA in Interior Design. ADES courses are not offered in summer semesters.

Students that do not successfully complete reviews may, upon approval of department, re-review. However, this will delay anticipated time to completion, typically by one year. Likewise, students that fail to successfully complete courses in sequence should anticipate a one-year delay in time to completion.

Important Note: Students who do not have an official degree plan on file before the semester they plan to graduate may not apply for graduation.
