College of Visual Arts and Design Suggested Four-Year Curriculum

2021-2022 • Exp. August 2030

All students admitted into UNT who wish to major in Studio Art will be designated as Pre-Studio Art until they complete the entry review and are accepted into a concentration. Entry reviews are conducted electronically using the UNT portal for the submission of application materials, [UNT Slideroom](#), during each long semester, with deadlines of Oct. 15 and March 15. No late portfolios will be accepted. Please visit [CVAD Website](#) for up-to-date information.

Frequently Asked Entry Review Questions

- When can I apply?
 - You need to have completed your Foundations courses (ART 1600, 1700, 1800, and 1900).
 - You need to have completed 9 hours of 2000-level or higher Studio Art courses.
 - You need to have completed at least one of the 2000-level or higher courses in the concentration you wish to pursue with a “B” or better grade.
 - Can I apply to more than one studio art concentration?
 - Yes! For instance, if you want to review for Ceramics, you need to have taken and completed and earned a B or above in a Ceramics course. If you want to review for both Ceramics and Photography, you need to have taken and completed and earned a B or above in both a Ceramics and Photography course.
 - You must apply separately for each concentration and may choose to pursue multiple concentrations should you be accepted to them. Upon notification of your acceptance(s), you will be asked to confirm the concentration that you intend to pursue.
- What is the minimum GPA for acceptance?
- You must have a GPA of 2.5 or above.
- What if I am not yet a UNT student?
 - Acceptance into the concentration does not constitute acceptance to UNT. You must be accepted into UNT to pursue a B.F.A. at UNT. But you absolutely may submit your portfolio in advance of your application and acceptance to the university (provided you meet eligibility requirements).
 - What if I don't pass entry review?
 - You will receive feedback on your portfolio, and you may reapply in any subsequent long semester.
